About HOBUKA Ltd:

HOBUKA is a consultancy company specializing in sustainable energy, environmental management, and social development. We aim to accelerate the transition toward a green and inclusive economy through research, advisory services, and the implementation of community-driven renewable energy solutions.

Qualification Requirements:

- Recent female graduate with a bachelor's or master's degree in renewable energy, environmental studies, Energy Engineering, environmental management, or related fields.
- Demonstrated interest in clean energy, climate action, and decentralized renewable energy systems.

Key Responsibilities:

- Support research and data collection activities related to renewable energy and social impact projects.
- Assist in project design, proposal preparation, and stakeholder engagement.
- Contribute to documentation, reporting, and knowledge management within ongoing consultancy assignments.
- Participate in field visits and assist in the implementation of community energy projects.
- Support communication, awareness, and outreach activities related to sustainability and energy access.

Required Skills and Competencies:

- Eagerness to learn and adapt in a dynamic work environment.
- Strong computer literacy (MS Office, Google Workspace; familiarity with data analysis or GIS tools is an asset).
- Good communication and interpersonal skills.
- Team-oriented mindset with strong organizational and time-management abilities.
- Passion for innovation, problem-solving, and sustainable development.

Learning Opportunities:

The intern will gain hands-on experience in:

- Project management and consultancy in the renewable energy sector.
- Data-driven decision-making for decentralized energy systems.
- Professional communication, stakeholder engagement, and reporting.

Application:

- **Application Deadline:** November 2nd, 2025
- Confirmation email to the shortlisted interns : **November 3 - 4, 2025.**
- Interview Period: **November 5 - 6, 2025**
- Final confirmation email to the selected interns: **November 7, 2025**
- Onboarding interns in their respective companies: **November 10, 2025.**
